 - (E) Upon request, the Employer will provide a statement to the employee indicating amount of advance payment(s) made and repayment(s) received by the Employer.
- (d) (i) An employee who has accumulated sufficient income protection credits may elect to submit an application to the Employer requesting that the Employer supplement MPI payments.
- (ii) The amount of such supplement will equal ten percent (10%) of the employee's regular net salary not earned due to the time loss. Regular net salary will be based on the employee's basic **pay** as defined in Article **3:02** of the Collective Agreement (exclusive of overtime), less the employee's usual income tax deduction, Canada

Pension Plan contributions, and Employment Insurance contributions.

- (iii) The Employer's supplement shall be charged to the employee's accumulated income protection credits and such supplement shall be paid until the employee's accumulated income protection credits are exhausted.
- (iv) If at any time it is decided by Manitoba Public Insurance that any payment to be made to the employee by the Employer must be offset against benefits otherwise payable by Manitoba Public Insurance, then such payment shall not be payable.

Without limiting the generality of the forgoing, the following provisions shall apply.

21:02 Income Protection in Case of Illness

Part-time employees shall earn and accrue entitlement to vacation pay on a pro rata basis in accordance with the following formula:

Example of Entitlement to Vacation Pay

Employee 'A' is a part-time employee, listed as .5EFT. In the previous year, 'A' worked more than .5 of the full-time hours, and in fact worked 1410 hours. 'A's entitlement to vacation pay would be based on a prorating factor of:

(b) Entitlement to Vacation Time

Actual entitlement to vacation time for part-time employees shall be based on years of service as provided for in Article **17:03**.

Example of Entitlement to Vacation Time

Employee 'A' is in **their** fifth year of employment. Employee 'A' is entitled to twenty (20) working days per year of vacation time. For greater certainty, the term "Working Days" means days on which Employee 'A' is regularly scheduled to work.

(c) Entitlement to Receive Vacation Pay and Vacation Time

(i) Initial Selection of Vacation Time

Part-time employees shall have an initial right to indicate their preference to dates on the basis of the procedure set out at Article **17:05**. $$\text{Prorating factor} \times \frac{\text{Entitlement to vacation time}}{\text{vacation time}} = \frac{\text{Number of vacation days}}{\text{(working days)}}$$

Example of Initial Selection

During the initial selection procedure set out at Article **17:05**, Employee 'A' shall have the right to indicate in writing **their** preference as to the following maximum number of vacation dates:

$$.7 \times 20 = 14 \text{ working days}$$

(ii) Selecting the Balance of the Vacation Time

After the initial selection set out in **Article 21:03(b)(i)** above has been completed, the selection of the balance of vacation time shall

.3 x 20 = 6 working days

Re: Employment Security-Staffing Complement-Reductions/Restructuring

The parties mutually acknowledge that the Employer is responsible for reviewing and determining staffing requirements and schedules.

The parties also mutually acknowledge that significant changes to an employee's schedule including an increase or reduction to EFT can be difficult for those affected.

The parties agree to the following process to minimize impacts of those affected by a significant schedule change or restructuring:

- (a) The Employer shall notify the Union, in writing, at least ninety (90) days prior to any alteration in the delivery of health care and/or in the current complement of staff.
- (b) If it becomes necessary to reduce or restructure the staffing complement, all avenues relevant to the issue of employment security for the employees will be examined and discussed between the Employer, and the Union, no later than twenty (20) days after the notification in (a) above.
- (c) The Employer and the Union agree to meet to develop the process for the planned reductions within five (5) days after (b) above and determine a date for the parties to meet with all affected employees to

advise of the changes. The Employer will provide seven (7) days' notice to the employees in advance of the meeting.

- (d) The Employer will, wherever reasonably possible, carry out any reductions by way of attrition.
- (e) In keeping with the Employer's commitment to ensure that any affected employee shall retain employment with the Employer, and where reductions cannot be dealt with through attrition, the employee shall be:
 - (i) Given the opportunity to fill any current vacancy with the Employer provided they possess the seniority, qualifications, and ability to perform the position; or
 - (ii) Article 10 shall apply.

Any employee thus displaced shall have the same rights.

- (f) Should the employee choose to not exercise rights under Article 10 then the employee shall be placed on layoff.
- (g) In the event of (e) above occurring or in the event of the closure of a site and in conjunction with (h) below, the Employer will make every reasonable effort to achieve necessary funding for retraining to assist with future employment opportunities.
- (h) The Employer and the Union will also cooperate with other Employers, Unions, the Provincial Health Labour Relations Services, and/or the Government of Manitoba, to participate in the establishment of a broader retraining effort where reasonably possible.

Re: French Language

The Employers within the Employers Organization (Employers) and the Manitoba Government and General Employees' Union (MGEU) acknowledge Francophone Manitobans have a right to access health services delivered in French through the active offer of services as prescribed by provincial legislation.

The Employers and MGEU further acknowledge that the determination of the requirement for bilingualism (French and English) is a recognized management right and may be included as a bona-fide qualification for designated bilingual positions within a site/program to ensure compliance with the statutory authorities, and in particular with the active offer principle in The Francophone Community Enhancement and Support Act CCSM c. F157.

The Employers and MGEU recognize that the rights of all employees must be respected under the Collective Agreement, and that the Employer can, as an exercise of its management rights, include the qualification of bilingualism (ability to understand, speak, read, and/or write proficiently in both French and English) as a job qualification for designated employee positions.

For operational purposes, at the discretion of an Employers, bilingual positions as designated by the Employer may be awarded to a unilingual candidate subject to the requirement to attain linguistic competency in either French or English within a reasonable time period. In the event that there is no

qualified bilingual applicant for the designated bilingual position, the Employer may fill positions as necessary to meet patient care needs.

AND WHEREAS it is understood for consistency, equity, and the continuity of service delivery, employees within the same classifications, departments and/or Employers should work the same annual hour base for their classification;

NOW THEREFORE the parties agree as follows:

- (a)** The parties will meet to review the current annual hour bases for each classification listed in the table below within one hundred twenty (120) days of ratification.
- (b)** Any adjustments to the annual hours of work will be effective at a mutually agreeable date (the transition date) which shall occur no sooner than April 1, 2023. All current provisions related to each occupied position will remain in effect until the transition date.
