of its appointee to the Board of Arbitration in accordance with Article 9:01(c) within ten (10) working days.

- (c) Where the initiating party wishes an Arbitration Board, the notice shall contain the name of the first party's appointee to the Arbitration Board. The recipient of the notice shall, within five (5) days, inform the other party of the name of its appointee to the Arbitration Board. The two (2) appointees so selected shall, within ten (10) days of the appointment of the second of them, appoint a third person who shall be the chairperson. If the recipient of the notice fails to appoint an arbitrator, or if the two (2) appointees fail to agree upon a chairperson within the time limits, the appointment shall be made by the Minister of Labour for Manitoba upon the request of either party. The Arbitration Board shall hear and determine the difference or allegation and shall issue a decision and the decision shall be final and binding upon the parties and upon any employee or employees affected by it. The decision of a majority is the decision of the Arbitration Board, but if there is no majority, the decision of the chairperson governs.

9:03 The Arbitrator or Arbitration Board shall make such decision as it may if the circumstances deem just and equitable. The Arbitrator or Arbitration Board shall not be authorized to alter, modify or amend any provisions of this Agreement or to substitute any new provisions for any existing ones or to make any decision inconsistent with the terms and provisions of the Agreement.

9:05 Each party shall bear the fees and expenses of its appointee to the Arbitration Board and the fees and expenses of the chairperson shall be

shared equally by both parties. In the case of a single Arbitrator, the cost shall be shared equally by both parties.

- 9:06** If the findings of the Arbitrator or Arbitration Board holds that the grievor was improperly dismissed, suspended or laid off, he shall be reinstated. Reimbursement of lost earnings will be as specified by the Arbitrator or Arbitration Board, but shall in no case be greater than his regular earnings had he remained employed by the Employer, reduced by any sums he may have received as earnings from other employment, or as Employment Insurance during the period of dismissal, suspension or layoff.
- 9:07** The forgoing time limits in Article 8 and Article 9 may be extended by written mutual consent of the Employer and the Union.
- 9:08** The Arbitrator or Arbitration Board shall determine the real issue in dispute according to the merits and shall make whatever disposition it deems just and equitable.
- 9:09** The parties agree that an Arbitration Board set up under this Article shall not have the power to add to, delete from, change or make any decision contrary to the provisions of this Agreement.
- 9:10** If it is determined or agreed at any stage in the grievance procedure (Article 8) or if the Board of Arbitration determines that any employee has been disciplined, suspended or discharged unjustly, the parties or the Board of Arbitration may dispose of the grievance by any arrangement which is deemed just and equitable.
- 9:11** The Arbitration Board shall have the power to amend a grievance, modify the penalty and relieve against any non-compliance with time limits or other technicality or irregularity.
- 9:12** The Arbitration Board shall determine the real issue in dispute according to the merits and shall make whatever disposition it deems just and equitable.

**10:02** Periods of absence, including WCB, shall not be included for the determination of the probationary period. Any period of absence in excess of three (3) calendar months, prior to the completion of the probationary period, will result in the employee being required to serve the full probationary period upon return to work.

## Article 11 Termination of Service

**11:01** Continuity of service shall be considered broken, employment terminated and seniority lost when:

- (a) An employee quits or is discharged and is not reinstated pursuant to the grievance procedure;
- (b) An employee is absent from work for a period of three (3) consecutive days without providing a reason satisfactory to the Employer or without the consent of the Employer. This shall not be interpreted as preventing the Employer from disciplining the employee who fails to report for work in accordance with scheduled shifts without providing a reason satisfactory to the Employer or without the consent of the Employer.

- (c) An employee fails to report to work at the termination of a leave of absence, vacation or suspension, without an explanation satisfactory to the Employer.

**11:04** Any written notice to any employee under this Agreement may be given personally, in writing, or prepaid registered post, addressed to the employee at **their** last address shown on the seniority list or on the payroll of the Employer and such notice shall be deemed to have been given when delivered to the postal authorities.

**11:05** Where two (2) weeks' notice (exclusive of vacation) has been given, the Employer will make available, within five (5) calendar days after termination,

all amounts due to terminated employees, including unpaid earnings and pay in lieu of unused vacation entitlement.

## **Article 12 Seniority**

- 12:01** Seniority, as defined in Article 1:12, shall be calculated on the basis of the total number of hours worked and accrued. Seniority shall accrue on the basis of one (1) month for each one hundred seventy-three point three (173.3) hours worked and one (1) year for each 2,080 hours worked and include days paid by the Employer but not worked. The method of accrual shall apply to the earning of benefits such as income protection, vacation entitlement and increment adjustments. Casual employees shall not accrue seniority.
- 12:02** Should an employee be moved to a position outside of the bargaining unit and **they are** returned to a position **they** held within the scope of the Agreement within a period of six (6) months from the date of such move, **they** will re-enter the bargaining unit with the seniority **they** had accumulated to the date of such move.

The list shall be used as the accepted reference point in the event an employee's seniority after March 1 or October 1 is challenged.
- 12:04** (a) Seniority shall be retained and will continue to accumulate when a regular employee is absent from work under the following circumstances:

### Article 13 Promotions and Transfers

- 20:13** The Union agrees to cooperate with the Employer in controlling the unnecessary use of income protection benefits. Any abuse of income protection benefits will result in disciplinary action, which may include discharge.
- 20:14** If an employee is prevented from performing **their** regular work with the Employer on account of an occupational accident associated with **their** employment and this accident is recognized by The Workers Compensation Act as compensable within the meaning of the Act, the Employer will, on request, supplement the award made by the Workers Compensation Board (WCB) for loss of wages to the employee by such an amount that the award of the WCB and the Employer supplementation will equal one hundred percent (100%) of the employee's regular net wages and the employee's income protection credits will be reduced proportionately. When the application for compensation is made, the employee shall advise whether or not **they** wish to accept the Employer supplementation.
- 20:15** Employees may utilize up to five (5) days of income protection credits in any calendar year to deal with illness in the family (spouse, child, parent).

  - (iii) The employee shall reimburse the Employer by assigning sufficient WCB payments to be paid directly to the Employer to offset the total amount of the advance or by repayment to the Employer immediately upon receipt of payment made by WCB directly to the employee.
  - (iv) In the event that the WCB disallows the claim, including any appeal, the employee shall be paid for the absence in accordance with the income protection provisions of this Agreement and the Employer shall recover the total amount of the advance by payroll deduction.

## Article 21 Designated Statutory & Paid Holidays

**21:01** The following days shall be recognized as paid holidays:

New Year's Day	Labour Day
Louis Riel Day	Thanksgiving Day
Good Friday	Remembrance Day
Victoria Day	Christmas Day
Canada Day (July 1)	Boxing Day
August Civic Holiday	Employee's Birthday

If another federal, provincial or municipal holiday should be proclaimed during the term of this Agreement, such additional proclaimed holiday will replace the paid holiday designated as the employee's birthday. The intent is that there will be no more than twelve (12) paid holidays per calendar year.

**21:02** Remembrance Day is recognized as a float holiday which can be taken at any time during the year on the mutual agreement of both the employee and the Executive Director. In the event that the employee should take a day other than Remembrance Day as a float holiday and should not work the full scheduled shift immediately preceding and immediately following Remembrance Day, one (1) days' pay may be deducted from the employee's wage entitlement. Should the employee work on Remembrance Day, having taken the float holiday in lieu, **they** shall receive payment of **their** regular rate for any and all work performed on the said day.

**21:03** Each full-time and part-time employee shall advise the Executive Director or **their** designate at least six (6) weeks in advance as to **their** birthday in order to permit the proper scheduling for **their** holiday. The employee may, however, request to be scheduled for each holiday on a day mutually agreed within the two (2) weeks on either side of **their** birthday. Should an employee's birthday fall on a holiday, an alternate day will be granted by the Executive Director within the two (2) weeks on either side of the birthday or on a day mutually agreed.

- 21:04** Full-time employees shall receive one (1) day's pay for paid holidays not worked, provided that they have worked their last scheduled shift prior to and their first scheduled shift after the holiday. If an employee is not entitled to the holiday pay as a result of this Article, **they** shall nevertheless be paid for all hours worked on any paid holiday at the rate of one and one-half times (1½x) **their** regular rate for the time worked on that day, provided that if the employee is absent from either of the shifts mentioned in the first sentence of this Article as a result of illness, **they** shall nevertheless be entitled to be paid for the holiday if **they** provide a certificate issued by a qualified medical practitioner that **they were** unable to work due to illness. The absence from either of the said shifts due to a certified illness shall be applicable only to one (1) paid holiday for each illness.
- 21:05** Unless otherwise provided, any full-time and part-time employee required to work and who actually works on any of the paid holidays outlined in Article 21:01 shall be paid overtime rates for hours worked with a minimum of four (4) hours plus paid holiday pay or any combination as specified in the formula set forth in Article 21:10. Any overtime work performed in excess of eight (8) hours on a paid holiday shall be paid for at the rate of two times (2x).
- 21:06** A part-time employee who is employed in any week in which a paid holiday occurs shall receive holiday pay for paid holidays not worked equivalent to **their** earnings, exclusive of overtime, for the days on which **they** worked during the thirty (30) calendar days prior to the paid holiday in relation to what a full-time employee earned in the same period, times one (1) days' pay, provided that **they have** worked **their** last scheduled shift prior to and **their** first scheduled shift after the paid holiday. If a part-time employee is not entitled to the holiday pay as a result of this Article, **they** shall nevertheless be paid for all hours worked on any paid holiday at the rate of one and one-half times (1½x) **their** regular rate for the time worked on that day with a minimum of four (4) hours.
- 21:07** Any part-time employee required to work and who actually works on any of the paid holidays shall be paid at overtime rates for hours worked with a

minimum of four (4) hours and shall, in addition, receive what holiday pay **they** would have received if **they** hadn't worked.

**21:08** If a paid holiday falls on a full-time employee's regular day off or during **their** vacation period, **they** shall be granted an alternate day off with regular pay on a day mutually agreed to or one (1) day may be added to **their** vacation.

**21:09** In arranging payment for time worked and paid for at other than regular rate of pay, the Employer may, by mutual agreement with an employee, pay on any one (1) of the following basis:

- (a) The regular days' pay plus one and one-half times ( $1\frac{1}{2}x$ ) (or the amount applicable) in money;
- (b) One and one-half times ( $1\frac{1}{2}x$ ) (or the applicable rate) plus one (1) day off within sixty (60) days of the said holiday or day in question, unless otherwise mutually agreed;
- (c) One (1) days' pay plus one and one-half times ( $1\frac{1}{2}x$ ) (or the applicable time) days off within sixty (60) days of the said holiday or day in question unless otherwise mutually agreed;

Failure to reach agreement between the Employer and the employee will result in the employee being paid in money.

**21:10** An employee who is absent on a paid holiday after being posted to work forfeits all pay for that day, unless **they** provide proof of illness from a medical practitioner or a reason acceptable to the Employer. Should payment for the holiday be granted it would be at the regular straight time rate.

**21:11** The Employer will endeavor to advise the employee of the disposition of a request for time off under this Article within seven (7) days of such request being made, except in exceptional circumstances.

**21:12** Notwithstanding the provisions of Article 21:09, regular full time employees who are required to work on any of the recognized paid holidays listed in Article 21:01 will be allowed to bank up to a maximum of five (5) recognized

paid holidays. These banked recognized paid holidays must be used in the vacation year they are earned.

**Vacation requests submitted after April 1 shall be granted on a first come, first served basis and shall be responded to within two (2) weeks after the posting of the approved vacation schedule, or within two (2) weeks of receipt of the request, whichever comes later.**

If not already submitted, vacation requests for the December 15 to January 15 period must be submitted by November 1 of each year. Unless prior approval has been received, seniority shall be the deciding factor to determine who receives vacation, providing that the staffing requirements of the facility are met.

Vacation requests shall not be unreasonably denied. **Any remaining vacation entitlement that has not been requested by February 1 shall be scheduled by the Employer prior to the end of the current vacation year. In all granting of vacations, the proper, safe and efficient operating requirements of the home shall be given first consideration.**

**22:05** Part-time employees are entitled to paid vacation on the same basis as full-time employees.

**22:06** An employee who terminates **their** employment for any reason is entitled to pay in lieu of vacation earned but not taken, calculated as a percentage of hours worked.

**22:07** Partial vacation and vacation pay will be calculated as follows:

- (a) For employees entitled to two (2) weeks' vacation, four percent (4%) of earnings for hours worked up to May 31;
- (b) For employees entitled to three (3) weeks' vacation, six percent (6%) of earnings for hours worked up to May 31;

**22:08** Employees shall not waive vacation and draw double pay.

**22:09** Where an employee has a scheduled vacation, and such vacation is interrupted by a significant illness, the vacation days, during which the employee was hospitalized due to illness, shall be replaced with income protection, if available. The remaining scheduled vacation days shall stand. The displaced vacation days shall be rescheduled at a later date that is mutually agreeable to both parties.
